

REMARKS

Applicants have amended the specification to correct the informalities originally noted by the Examiner in the Office Action dated April 28, 2005. In particular, pages 4 and 11 of the specification have been corrected.

In light of the above amendments, it is respectfully submitted that the objection to the disclosure has been overcome and it is respectfully requested that such objection be withdrawn.

The Notice of Non-Compliant Amendment indicates "...the entire corrected amendment must be resubmitted." Applicant has since filed an amendment to the claims (3/30/06) and those claims have been entered by the PTO. To avoid confusion, Applicant is not resubmitting the no longer valid listing of claims from their 9/22/05 response.
